

## EFFECTIVE INTERVIEW AND INVESTIGATION STRATEGIES AND TECHNIQUES

This three-day workshop will provide training aimed at increasing our effectiveness by learning interview and interrogation strategies as well as how to work with the Maine Children's Advocacy Centers who assist with the investigation and management of child sexual abuse cases. This training is open to all law enforcement, corrections and probation officers, detectives, child protective workers, licensed professional investigators, attorneys, legal assistants, paralegals and other professionals involved with criminal justice. The training will emphasize developing skills and concepts for better handling of child abuse, sex offense investigations and will also have a segment on public safety employee applicant background investigations.
